

Vice-Chair: Jason Moreira

Jason is the Legislative Assistant for Legislative Affairs, National Policy at The Center on Budget and Policy Priorities, one of the nation's premier policy organizations working at the federal and state levels on fiscal policy and public programs that affect low- and moderate-income families and individuals. At the Center, he is responsible for monitoring bills and floor/committee actions in the House and Senate, conducts lobbying visits with members and staff, preparing Hill related charts/target lists, drafts communications to the Hill, responds to Hill requests for information, covers congressional hearings and meetings, prepares daily Congressional Record summaries and semi annual lobbying disclosure reports, and distributes policy analysis to Congressional and Administration contacts. Previously, he served the Portuguese-American community during his five-year tenure at PALCUS where he eventually became its Associate Director. He holds a B.A. in English from the University of Maryland at College Park.
