February 17, 2010

The Development and Funding Alert is a publication of NOPA, Inc. and is provided as a service to the community with the purpose of educating and informing elected officials, municipalities, civic and non-profit organizations about fundraising and grant opportunities to support programs that empower and improve the lives of Portuguese-Americans.

NOPA provides technical assistance and workshops on fundraising, grant development, and non-profit management. For more information contact NOPA, Inc. at 703-389-3512 or info@nopa-us.org.

2010 Census

The 2010 Census is quickly approaching, it is important for Portuguese-Americans to partake in this simple and easy questionnaire that will affect them for the next 10 years. Our job is to ensure that our community is counted! NOPA needs the help of nonprofits and community-based organizations to educate and motivate their constituents about the importance of completing the 2010 Census questionnaire. We want to ensure that when the federal government allocates over \$400 billion to communities based on this data, the Portuguese-American community gets what it needs and deserves. Census data can be used for grant proposals and to help determine social services needs and funding for nonprofits, community-based organizations and the government. Additionally, census data helps community-based organizations estimate the number of potential volunteers and residents who need services in the community.

***The 2010 Census is Easy, Safe and Important.
Census Day is April 1, 2010. Make sure our Portuguese-American Community Counts!***

Nonprofit Fundraising

Include local businesses in your fundraising plan

Although most local businesses have giving programs, nonprofits sometimes overlook these resources. "Nonprofits need to be knowledgeable about what type of corporate giving is available locally, and continuously pursue it," says Ray Sweeney in "Nonprofits Benefit from Local Biz Outreach" (Federal & Foundation Assistance Monitor, December 14, 2009). He recommends maintaining and continuously updating a list of local businesses and their grant programs, because these funders are the most likely to respond quickly to requests. Learn about their giving programs through Internet searches or direct inquiry. Once you know how they want to be approached, follow their directions. To build and strengthen your organization's ties with a company, you might also provide volunteer opportunities for its employees.

Please Give Us Feedback

Please email us at info@nopa-us.org and let us know what type of funding opportunities you or your organization are interested in e.g. HIV/AIDS, social services, youth focused, or civic participation.
